HARSHAN C

Software Developer | AI/ML Enthusiast | Full Stack Developer

Bengaluru, India | +91-919427571 | charshan30@gmail.com

Portfolio | GitHub

Professional Summary

Technology professional focused on developing intelligent, data-driven applications and scalable software solutions. Experienced in exploring the intersection of Artificial Intelligence, Machine Learning, Data Science, and Full Stack Development through hands-on projects.Working with databases, and applying NLP and machine learning techniques to practical problems. Driven by analytical thinking, continuous learning, and a commitment to transforming complex challenges into efficient technology solutions.

Technical Skills

Programming Languages: Python, Java, JavaScript, C, SQL
Frontend Development: React.js, HTML5, CSS3, JavaScript
Backend Development: Node.js, Express.js, FastAPI, REST APIs
AI and Machine Learning: Machine Learning, NLP, PaddleOCR
Databases: MySQL, MongoDB
Tools and Platforms: Git, GitHub, Postman, VS Code, Figma, Vercel

Projects

SmartInvoice AI – Intelligent Invoice Management *AI / Full Stack*

- Developing an intelligent invoice management solution with AI-powered document understanding and automated financial data extraction.
- Exploring OCR and AI-based processing to extract structured information from financial documents.

INCOGNITO – Technical Fest Website *HTML, CSS, JavaScript, Firebase*

- Developed a dynamic website for the annual technical fest to streamline event management and participant registration.
- Implemented Firebase authentication and real-time database functionality for seamless data handling.
- Designed an engaging user interface using parallax scrolling, neumorphism, and glassmorphism.

Web-Start – Workshop Registration Website *HTML, CSS, JavaScript, Firebase*

- Designed and developed a responsive website for workshop registration and event information.
- Implemented an intuitive interface to simplify participant registration and provide workshop details.
- Collaborated with the organizing team and Computer Science department to meet requirements and enhance participant experience.

Education

Master of Computer Applications (MCA) *2025 – 2027*
PES University, RR Campus, Bengaluru CGPA: 6.42/10

Bachelor of Computer Applications (BCA) *2022 – 2025*
Seshadripuram Degree College, Bengaluru CGPA: 8.23/10

Pre-University Course (2nd PUC) – CSBA *2021 – 2022*
MES Kishora Kendra, Bengaluru Percentage: 76%

Certifications

The Data Science Course: Complete Data Science Bootcamp 2026
Udemy – 365 Careers *October 2026*

Achievements and Activities

- Participated in Orca Coders: Orcathon Hackathon, organized by DevHarbour.
- Continuously building practical projects across AI, Machine Learning, and Software Development.
